HISTORY & INVESTIGATION:

In summary, the facts as stated in the original case report are basically correct except the offenders race is white not asian and theres only one offender. Offender number #1 was the only person to threatened to shoot the senator.

R/D's were assigned by Sgt. [redacted] of unit 611 to investigate an intimidation report in which Senator Paul Simon's life was threatened, at 0830 hrs on 14 Oct 90.

b6
b7C

Detectives [redacted] and [redacted] were detailed to accompany Senator Simon at the Executive House during his interim stay in Chicago, meanwhile the ongoing investigation by R/D's revealed the following:

On the 12th of October 1990 at approximately 2255 hrs just before closing with [redacted] a waitress at Bonlos Restaurant, 2200 W. Lawrence was cleaning the table occupied by aforementioned offender and a female companion (F/Asian, 5'03, 105 lbs, brn eyes and long black hair possibly a student at University of Illinois) when a conversation ensued. Wit [redacted] mentioned that Senator Simon would be having a fund raiser at their restaurant the following day. The offender then stated that his brother had killed someone five years ago and that he was going to shoot Paul Simon. He then unzipped his right front pocket to display a weapon to wit [redacted]. The type weapon is unknown but described by [redacted] having a brown grip. The wit [redacted] became frightened, left table and reported incident to manager/wit [redacted]. Wit [redacted] also stated she considered offender as having a mental problem and avoided further contact with him. In addition before leaving the restaurant the offender thanked wit [redacted] for the good information. Wit [redacted] interview was added by [redacted] who acted as interpreter because Wit [redacted] speaks little English, she speaks Korean.

b6
b7C

R/D's then interviewed [redacted] who could not provide additional leads except to add that he is familiar with offender only because he chronically complains about either the food or service whenever he comes into the restaurant. Further on one occasion the female companion mentioned that she was a student at the Univ of Ill. and Malaysian.

b6
b7C

R/D's repeated attempts to interview wit [redacted] at 0900, 1000 and 1630 hrs on today's date were unsuccessful.
